This filing applies to the Household Goods policy.

Brief description of filing. (If filing follows rates of an advisory organization, specify organization):

This filing changes the CHG base rate to a named perils policy form, HG, and establishes a factor for an all risk endorsement. We are moving to a base deductible of \$250, and introducing a deductible option at \$2,500. We are revising our Business Property Endorsement and introducing Identity Fraud Expense Coverage. The overall effect of these changes is -.23% or -\$42. Existing CHG members will see no significant premium change as a result of this transition to a named perils, \$250 base with all risk endorsement. The range of individual policy changes is -\$3 to +\$1. However, new members will now have the option of named perils or all risk coverage.

\* Adjusted to reflect all prior rate changes.

\*\* Change in Company's premium level which will result from application of new rates.
